A Living Gold Tradition

Tanjore painting is a celebrated South Indian art form from Tamil Nadu, known for raised gesso relief, luminous gold leaf and jewel-like detailing.

At Tri-Lotus Chithiram, we honour this tradition through bespoke Tanjore Gold Relief Art created for refined interiors and collectors. Each work is individually made in Tanjore style, guided by the approved concept and executed by hand.

Not mass-produced. Never printed. Always handmade. Always unique.
