— WHY THE BRAND EXISTS —

THE TRI-LOTUS STORY

Tri-Lotus Chithiram was born from a simple belief:
Tamil heritage arts deserve to live, evolve and become
part of everyday spaces.

Rooted in the timeless cultural heart of Madurai, we bring
together select Tamil heritage arts and reimagine
them for contemporary living.

We employ skilled artisans and specialist makers whose
knowledge is passed down through generations. Through
fair work, respect and continuity, we support the
preservation of living craft traditions.

Our purpose is to connect Tamil Nadu's living craft
traditions with distinctive interiors around the world,
creating beauty that carries meaning across time.

“

remains alive
when skilled
hands have
meaningful
work.*

OUR CRAFT WORLDS

Two living traditions, thoughtfully presented.

ATHANGUDI HANDMADE CEMENT TILES

Handcrafted in Chettinad, our Athangudi cement tiles are made using time-honoured techniques and natural materials.

Each tile is set by hand, air-cured and polished to reveal enduring character and rich colour.

From classic patterns to custom designs, we offer a complete system of tiles, borders and corners to create timeless spaces.
