WHY THE BRAND EXISTS

THE PAVITHRA VANYA COLLECTION

Tri-Lotus Chithiram was born from a simple belief: Tamil heritage art deserves to live, evolve and become part of everyday spaces.

Rooted in the timeless cultural heart of Madurai, we bring together skilled Tamil heritage art and design to enrich contemporary living.

We collaborate with master artisans who have inherited centuries of tradition and refined their craft through patience, practice and purpose. Every piece is created with reverence—for the art, for the artisan, and for the homes it will adorn.

Our promise is to curate Tanjore masterpieces with authentic soul that elevate interiors and inspire generations — timeless in beauty, enduring in meaning.

> *"Heritage remains alive when skilled hands have meaningful work."*
